Institutions

Director's Message

Academic excellence with character and personality development is the ultimate goal of SVVM. The school aspires for truly secular and democratic values to serve a meritocratic India. Our school challenges the intellect and nurtures the potential of each student to acquire knowledge, concepts, and skills necessary to become thinking, productive, and responsible citizens. Excellence in academics at SVVM inculcates lifelong learning in the students. We ensure that a congenial environment for learning is maintained while making sure that children have enough opportunities to develop their personal and interpersonal skills. We encourage students to embark on difficult, challenging journeys that stretch their potential. But we do so with an unyielding faith in capacities of our teachers and students. The management and staff of SVVM School is deeply committed to work tirelessly in order to make our students' learning experience an exciting and elucidating one.

Shri. C. MUTHIAH

Senior Principal

SVVM Group of Educational-
Institutions

Senior Principal's Message

Enthusiastic vigour towards visionary leadership, interdisciplinary knowledge, excellent interpersonal and communication skills are a few of those things learnt and practised which made me a humble boy from a poor hamlet in Ramnad and curious youth educated from the neighbouring districts to take up the noble profession of teaching and to reach up to the position of heading over a dozen nationally reputed educational institutes across the nation till superannuation.

The bad news is 'time flies.' The good news is 'you're the pilot'. Even after having cultivated spontaneous trust and productive relationships with students, teachers, parents, public and administrators over a period of 33 year of govt. service, god's grace did not seem to deteriorate, hence I started playing another innings after retirement from KVS as an Assistant Commissioner owing to the clarion call of Swami Vivekananda '**Strength is Life, Weakness is Death.**' The unmatched experience gained by working in Navodaya Vidyalayas and Kendriya Vidyalayas under the Department of School Education and Literacy in the Ministry of Education, Govt. of India, situated in Mizoram, Assam, Maharashtra, Karnataka, Kerala and Tamilnadu made me to travel long distances, meeting people of plethora of culture, tradition, language, geographical background and now to render my service to many more tender and young aspirant. Reliability, hardworking with strong focus to attain incomparable potentials, love towards humanity, contributory leadership potentials are few things which are being proposed to be imparted to all our students who look forward to come to this institution. We as a team are here to create an environment favourable for learning community and inspire all our aspirants positively to learn 21st century skills and newer technologies as per the NEP 2020 and to walk an extra mile to fulfill the expectation of all students, parents and the entire society. This institution is open and looking forward to commit for the great cause of education which will make the individual as well as the nation indeed to reach greater heights.

Smt. R. KAVITHA

Principal

SVVM CBSE SCHOOL

I, as principal, feel privileged to lead a flourishing institution, with value-based support of our curious students, committed teachers, supportive parents, and highly acclaimed management, working as a team. Let us join hands in grooming young minds so that they may walk the path of life successfully.

Smt. I. ANITHA

Principal

SVVM KIDZ SCHOOL
